Highlights

Front-end web developer with two years of experience in closely collaborating with teams in designing and developing interactive and responsive cross platform web applications. Competent in developing web applications incorporating a range of technologies as well as modern libraries and frameworks. Eager to learn new things and use my skills to create quality cross platform web applications.

Education

Digital Design & Development Diploma

BRITISH COLUMBIA INSTITUTE OF TECHNOLOGY | SEPTEMBER 2020 - MAY 2022

- Designed and developed interactive, responsive websites.
- Collaborated closely with team members for 5+ projects.
- Wrote clean and organized code while using the best practices.
- Developed strong time management through collaboration with multiple teams in a tight schedule.

Project Experience

Frontend Developer, UX/UI Designer

KALM | SEPTEMBER 2021 - DECEMBER 2021

- Designed and developed a user-friendly, responsive web app.
- Created reusable UI components using React and Styled-components.
- Worked closely with full-stack developers about the design and front-end.

Lead Frontend Developer, UX/UI Designer

REVAMP | JANUARY 2021 - MAY 2021

- Conducted thorough user testing to create a user-friendly application.
- Polished the front-end to ensure all functionalities are working.
- Collaborated closely with team members remotely, ensuring everyone is on track.

Work Experience

Sales Associate

KINS FARM MARKET | SEPTEMBER 2017 - AUGUST 2020

- Built rapport and answering customers questions.
- Maintained positive attitude and helped others when in need.
- Developed observant skills by completing tasks while under pressure with thoroughness and accuracy.
